### **3 / ABOUT ZIGHT**

#### SHORT BIOGRAPHY

Zight is an emerging EDM artist hailing from Hong Kong. His style is distinctly upbeat, fusing feel good melodies to euphoria-dripped soundscapes and thunderously thumping rhythms.

Zight managed to secure his first collaboration with Disney singer Sonna Rele. He composed, produced and wrote the lyrics of the timeless, inspiring track. With its motivating message it's hard not to smile when listening to the song.

Originally from Hong Kong, Zight has his eyes set on making a major impact on the global dance music scene. He aspires to be the first Hong Kong name to make it on a UK billboard chart. His mission is to create timeless classics that outlive him so the world will have something to remember him by.

#### 4 / LYRICS

##### VERSE

As the sun shines on the starting line  
As I drive onto the track  
I run through the turns my new best time  
They say I never look back  
I was born to be the number one  
Whatever has to be done  
Just like thunder flashing through the open sky  
Time for winning this and you know why

##### CHORUS

All the engines revving on the grid like  
Bullets in the gun  
And we're waiting for the lights to go out  
Shooting for the number one

##### VERSE

As I visualize the winning lap  
And the roaring from the crowd  
I can feel the engine running deep  
I can hear it screaming loud  
I was born to be the number one  
Shining brighter than the sun  
Feel the air fly by it's cutting up the sky  
Time for winning this and you know why

##### CHORUS

All the engines revving on the grid like  
Bullets in the gun  
And we're waiting for the lights to go out  
Shooting for the number one
